- Recess/Freetime will be spent outside unless there is inclement or potentially hazardous weather.
- In the event of inclement weather we will do things like drawing the weather outside, using building blocks, etc.
- We will practice fire drills
- During Recess we will incorporate different activities sometimes

- 4 & 5 year olds will do tracing/writing activities during Reading/Writing Activity, 2 & 3 year olds will do more coloring and puzzles
- 4 & 5 year olds will do counting, number, science exploration activities during Math/Science Activity, 2 & 3 year olds will do more bean bag counts, free time to roam and do sensory activities
- During music time we will all listen to music, dance, music chairs
- An activity may be swapped out if we have a guest coming depending on the time or if we are going on a fieldtrip
- Music Activity or Math/Science can be swapped out for other planned activities
